

Welcome to the better way to get healthy skin

If you're having problems with your skin, HealthiestYou Dermatology can help.

Instead of waiting weeks to get an appointment, you can get a diagnosis and treatment plan in just two business days. HealthiestYou's board-certified dermatologists treat a wide variety of skin conditions by web or app, including psoriasis, acne, moles, rosacea, and more. The process is simple and easy:

- 1 Log in to your account and request a Dermatology consult.
- 2 Answer a few questions about your skin condition.
- Take three or more photos of your skin condition and upload them for the doctor to view.
- 4 Within two business days, you'll receive a diagnosis and treatment plan from a board-certified dermatologist.
- 5 If medication is prescribed, it will be sent electronically to your preferred pharmacy.
